

APSARA PUBLIC SCHOOL

ANNUAL REPORT 2023-24

Scholastic Year 2022-2023

Academic Achievements:

“Achievement is largely the product of steadily raising one’s level of aspirations and expectations.”

Our students have made us proud and broght laurels to the school with their excellent results.

“You don’t have to be great to start, but you have to start to be great.”

- We are proud to acknowledge that we have achieved good results, in academics, Co. curricular and extracurricular activities throughout the session. I proudly place before you the achievement of our students and progress of our school.
- We are happy to share that with our students of Std. XII & X who appeared for the 2022-32 board examination passed with flying colours. We achieved 100% results in both. In class X FATHIMA ESHAL with 92.4% topped the school. In class XII FATHIMATH ZAHRA with 90.4% of Science stream was the highest scorer. MARIYAM NIHALA YASMIN with 87% topped in commerce stream with an excellent score.

- Coming to academics we have 4 periodic tests and two main exams MidTerm and Final to measure the academic standard of the children as academics are very important to compete in this competitive world where they have to excel themselves.
- PTA meetings were arranged periodically to inform the parents about their child's performance we cherish and thank all the parents for their cooperation and their constructive suggestion in our Endeavour of imparting quality education
- During result analysis it is observed that at the end of term I (2023-24) zero percent failure is achieved in most of the subjects in many classes and our next goal is to achieve that no child should be below 60%.
- Remedial sheets and Subject wise revision question banks containing important questions are made as a practice to be solved by students in each class.
- To enhance logical, reasoning and numerical solving ability Literacy and numeracy program is conducted in the school.
- To enhance the teaching learning process, we at APSARA focus more on the academics of the students. Also in order to facilitate the students with the competitive spirit, the school organizes various Olympiads and competitions. Throughout the year different inter-house activities are conducted to make students aware of every face of life and equip them with

- To enhance teaching learning process, we at APSARA focus more on Academic of the students. In this we have as a individual mentors for slow learner from lower classes - which is a part of our school curriculum where students are trained to read and pronounce proper letters and words.

Assemblies

Assemblies serve as valuable assets for a school by promoting a sense of community, facilitating communication, supporting educational goals, and contributing to the overall well

-being and development of students. The way assemblies are organized and conducted can greatly influence the positive impact they have on the school community. Our school celebrates and observes all the special days celebrated in

India. This year the assemblies which were conducted are:

- World Environment Day -June 05 2023
- Anti Child Labour Day-June 12 2023
